Hi Eleanor,  
I am very sorry - I gave you directions to our Atwood plant, when we will be testing at our Fair Oaks plant on Saturday. The address for the Fair Oaks plant is 166 South Fair Oaks Avenue. Please call my cell phone when you get there and we can meet up.  
Thanks and let me know if you need anything else. Sorry about the confusion.  
Alina

Thanks for this information.

I will try to be there around 7:30.

Hi Eleanor,

I just wanted to give you some information for this Saturday. TRC will be here around 7 to set up, and we think we should be able to start testing by 8. I will be here around 7. Since we will be shut down and no one will be at our main entrance, it might be easiest to meet in our back parking lot. I'm not sure which direction you will be coming from, but if you are coming north on Waubesa Street from Atwood, there is a driveway on the right, before you get over the railroad tracks, that goes into our back parking lot. You can call my cell phone when you get here ([518-265-7183](tel:518-265-7183)) since I won't likely be in my office.

We require steel toe boots and safety glass and ear plugs. We can provide the safety glasses and ear plugs if you need us to.

Do you know what time you will be arriving?

Thanks,

Alina

Hi Eleanor,

I heard back from TRC, he says 8 will be a good estimate of the start time. They will be here at 7 for set up.

Let me know if you need anything else,

Alina
